

**2010**  
**Balfour Golf Course Tournament**  
**Package**

Thank you for considering the Balfour Golf Course for your 2010 Golf Event. It is our goal to offer you a great time, enjoy golf, and meet new people all while your guests/clients are taken care of.

The Balfour Golf Course is a 6,510-yard Par 72, design by Les Furber. With our majestic forest lay-out on the front 9 holes, and the mountain-side on the back 9, this course is truly a magnificent one. This suits all levels and playing abilities, no one will be left behind.

Our friendly staff is committed in making your golf event a special one. We will customize any package at your request, whether it is a 9 hole tournament or 18, we are here to help.

In 2009 we helped raise \$30,000 for local charities, we are proud of this accomplishment and continue to build on it. We look forward to hosting your event.

Please take a moment to review our 2010 tournament package. If you have any questions or would like to visit the course please feel free to contact Brad Woods, Head Golf Professional at 250-229-5655.
