

WELCOME

Dear Event Planner,

Thank you for considering the Balfour Golf Course as your facility of choice for your next golf event. Our focus here in Balfour is to provide our guests with an entertaining and memorable experience time and time again. Combine our beautiful golf course with exceptional service, amazing food plus an excellent list of event options and you will have no need to look any further than the Balfour Golf Course for your West Kootenay Golf Event.

Situated above the majestic shores of Kootenay Lake, the Les Furber designed Balfour Golf Course is a must play for golfers of any skill level. Located a scenic 25 minute drive from the 'Queen City' of Nelson, B.C., you will find two distinctly different nines when combined, offer one gem of an eighteen hole golf course. Our picturesque front nine meanders gently through a tightly knit forest of pines while our back nine holes are much more undulating by nature and offer up some of the more spectacular views of Kootenay Lake anywhere to be found.

The following Golf Event options are designed to aid you, from start to finish, in the design and execution of your event at one of the West Kootenay's premier golf facilities. With our highly customizable list of event options we are virtually guaranteed to be able to develop a package that will fit your budget and entertainment goals while providing you, the event organizer, with the ability to partake in the fun and enjoy your successful event.

Once you have had a chance to read over our event options, please feel free to contact us to discuss the availability of dates and to start the process of designing a package that meets your budgetary and participation requirements.

Sincerely,

Craig Wilkinson
